

CONSTRUCTSECURE
MANAGING YOUR RISK...SMARTER™

Safety Assessment Program for:

Axion Specialty Contracting

The **Safety Assessment Program** reviews a company's historic safety performance and current safety management systems. The program normalizes data for vendor or contractor size and type of work performed.

The program provides thorough, objective and consistent evaluation of company performance so clients can identify, monitor, and manage risk smarter. The results provide a strong indicator of how a vendor or contractor values safety and a reliable predictor of future performance.

Certificate of Achievement

Gold Safety Award

This acknowledgement certifies that on 4/22/2020

Axion Specialty Contracting

has successfully completed the ConstructSecure Independent Safety Assessment Program and has achieved the Gold Safety Award for the trade Division 23 - Heating, Ventilating, and Air Conditioning (HVAC).

A handwritten signature in black ink, appearing to read 'Garrett Burke'.
